IgniteND

In 2025, we will celebrate the 5th annual IgniteND at Bismarck State College!

In this three day series of innovative education sessions and inspiring speakers, the focus is on 21st Century education topics and integrating all K-12 curriculum with computer science and cybersecurity. The event is co-sponsored by Bismarck State College, EduTech, and the North Dakota Department of Public Instruction and will take place at BSC.

2024 Feedback

"Another great conference. I am so thankful for this conference and the tools you demonstrate, and the services you provide. Thank you!"

"The IgniteND 2024 Conference provided a comprehensive platform for teachers to explore cutting-edge technologies, discuss emerging threats, and collaborate on strategies to enhance digital defense. It fostered valuable networking opportunities and equipped us teachers with actionable insights to strengthen cybersecurity measures in our respective domains."
